2nd February 2009

Dear Parents,

We have accepted an exciting opportunity to have 2 occupational therapy students on placement at our school from 2nd February to 15th May; 2 days per week.. The students are in the final stages of completing their BSc (Hons) degree from York St John University before qualifying in June.

They will work in every class with teaching staff to support our pupils in the following areas:

- Fine motor skills
- Handwriting
- Gross motor skills
- Physical education
- Social skills
- Understanding individual differences (part of PSHE)

The students will provide more intensive input to any of our children who may need a boost in developing their fine/gross motor, perceptual, or social/emotional skills.

They will receive external supervision by Lois Addy a Senior Lecturer at the University who is also a practising occupational therapist with 26 years experience working with children.

If you would like further information please contact Miss Haslam.

Yours sincerely,

Mrs C. Weston
Headteacher
